## Beslutsärenden/ Decisions (§§ 2)

### § 2.1 Counting of votes in the election of the members of SAKS parliament

The election took place digitally, through a voting system provided by Mecenat. Only active members could log into the election and vote. The voting options were to vote for all candidates, one candidate individually or to vote blank.

the vote counting committee counts to a total of **61** votes.

### § 2.2 Verdict of elected members to SAKS parliament 2021/22

The statutes of SAKS allows 25 members of parliament, therefore all candidates who received the minimum of 2 votes are to be considered elected members of SAKS parliament.

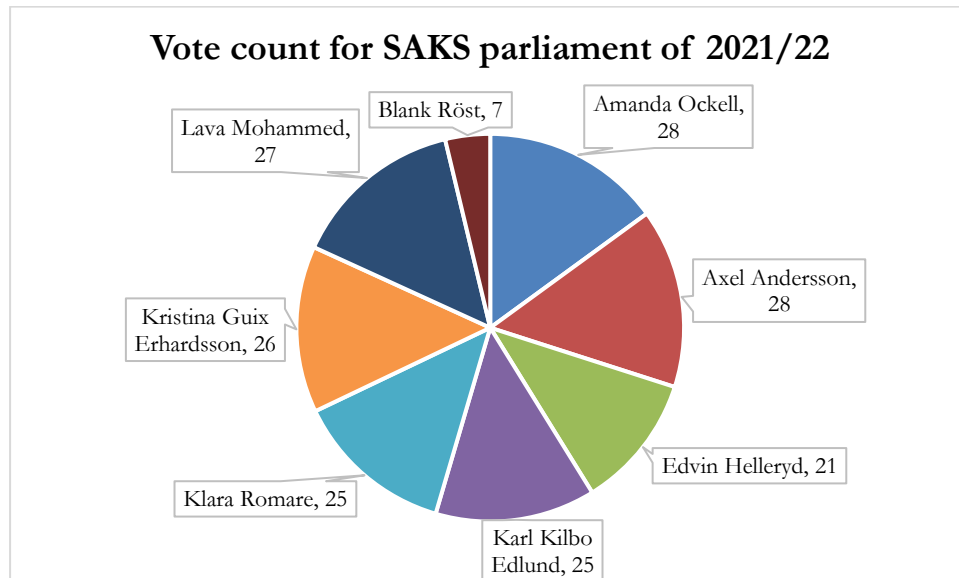

Figure 1: A pie chart showing each candidate total amount of votes. Total amount includes individual votes and "all candidates". "All candidates" is not include in "Blank röst". "All candidates" received a total of 21 votes.
